

It costs Shepherd's Canyon Retreat over \$10,000 for each person that we host for a retreat. Because of our many generous donors, we only charge \$5,000 for an individual and \$6,000 for a couple, but we won't turn you away due to lack of funds. That doesn't mean that this retreat is free. It just means that we partner with you and/or your supporters to find ways to cover the cost.
